You're That Perfect Piece...

Thank you so much for wanting to be a part of ministry here at South Heights. We know that we have a perfect place of ministry for you. You have been placed here at South Heights for a reason and that is for you to use *your* gifts to glorify the Kingdom of God.

In this book you will find many ways to serve at South Heights. We have many areas of ministry where you will find a place to fit in and excel. Please read through this ministry portfolio and fill out the last page and place it in the offering just as soon as you are ready. We are super excited to have you a part of South Heights Assembly of God!

Fellowship Groups

Navigators – This is our men’s ministry at South Heights. There is plenty to do with Navigators. From annual trout fishing trips to doing general maintenance around the church, you will find plenty of fellowship, fun and normally food!

Legacy – This is our women’s ministry at South Heights. Our ladies of the church have many get-togethers that include baby showers, our pie fundraisers and several outings throughout the year. The ladies also help with beautifying our church, from working in the flower beds to decorating the inside of the church. They always have room for more ladies to join in with all the fun.

Refined – If you are between the ages of 18 and 35 this group is just for you! Led by Youth Pastor Steve Ashe, this ministry is designed to just have so much fun and fellowship that you will feel like you can’t stand it any more. You will enjoy lots of food, games and laughter with other young adults like yourself.

Fellowship Groups

Common Grounds – This group is for the ages of 35 to 55. If you are looking for a group that is just like you, this is it. Here you will find single parents or married couples that are just wanting to get away for an evening to spend some time with others that share the same interests while enjoying a barbeque or maybe a night out bowling. Led by Chad DeGonia, Associate Pastor.

Golden Harvesters – So maybe you are getting to that spot where you are close to retiring or maybe already have. If you are 55 or older, then come join the Golden Harvesters. You will enjoy a ton of fellowship that *always* involves some sort of food. Led by James Wideman, Senior's Coordinator.

Adult Education Opportunities

New Beginnings – This class is taught by Lisa Turner and uses different curriculum throughout the year.

Walk Through The Word – If you enjoy an in depth look at God's Holy Word then you will enjoy this class taught by Zeke Miller.

Sanctuary Class – Maybe you enjoy studying through the A/G quarterly that is put out. Reba Nation has taught this class for over 50 years.

Sunday School Classes

From time to time we provide classes to those who are interested that are new to our church.

New Convert's Class – If you have recently received salvation and want to know more about Jesus and how to start down this new path you are on, this class is what you are looking for. Our curriculum, Nextsteps 101, will be taught by our pastoral staff and qualified laymen. You will learn what we believe as a church, areas to get involved with, and also have a better understanding of how to follow Christ.

Altar Workers Class – Maybe you have a passion to see and be a part of lives being changed at the altars. This class is taught by our Lead Pastor, Sam Bates and he will teach you how to lead someone to Christ or pray with one who is hurting and needs that special shoulder to cry on. For more info contact Pastor Bates or the church office.

Sharp Kid's Church

At South Heights, we want to provide a worship experience for every age. In our "Annex" directly south of the main sanctuary, you will find Sharp Kid's Church for ages 4 -12 years old. Each week our Children's Pastor, Becky Cook does a wonderful job of creating an atmosphere that your child will thrive in. From worship to God's Word or puppets and games, your child is sure to leave wanting to come back for more of this excitement!

Pastor Becky is assisted by a great group of helpers that always welcome each student with a smile and a high-five. You can have the confidence that your child or children will be in great hands while you are worshipping in the main service. Parents may check in or even attend one of the services any time they fill necessary.

This is just another ministry here at South Heights that your family can be a part of.

Wednesday Night Live

Wednesday Night Live is designed with family in mind. We have areas of ministry going on all over the campus with your family at the top of our focus. The excitement starts at 7:00 PM each week!

Worship & Word – You will experience fresh worship and a powerful word from our pastor each Wednesday night. Come expecting because God moves in the middle of the week as well!

UnMovable Youth - Pastor's Steve and LaDonna Ashe, along with a great group of youth sponsors, oversee our youth service every Wednesday night. Your youth will experience great worship led by their very own youth worship team and an awesome word from Pastor Steve. Of course don't forget about all the fun and games they have as well!! For ages 12 to 18.

Ranger's & Mpack Girls Club – These ministries are for the young students in your household. These are designed after the Boy's and Girl's Scout packs that you see in your community. Your kids will be taught the Word of God and skills to use in everyday life. They will go home begging to come back next week! For ages 3 to 14 years old.
